Dear Seniors and Parent(s),

Welcome to the last and final days of your high school experience. Many goals, deadlines, and obstacles will come and go quickly as we approach the end of the 2024-2025 school year.

We have ordered items such as announcements, caps, and gowns for your graduation. The graduation ceremony is not a requirement, but a privilege for you, your family, your school, and the entire Crivitz community. If you are planning to participate, we ask that you sign this letter of intent so we are prepared for the ceremony.

You and your parents must also be aware there are certain expectations concerning attire and behavior during your graduation ceremony. Please be aware that you will be expected to follow these guidelines in order to participate in the program. Boys should wear appropriate shoes that are clean and presentable. We also recommend slacks or dress pants; shorts, jeans, cut-offs, or other types of inappropriate dress will not be allowed. Girls are not required to wear dresses, but are expected to dress appropriately as well, including nice shoes (no boots, flip flops, or tennis shoes). Your graduation caps will not have anything attached to the top other than your tassel, and you may not write anything on them either.

This is a formal ceremony for the graduating seniors and it should be conducted with purpose, dignity, and respect.

Please check below if you plan to participate and agree to these expectations for the graduation ceremony.

- Yes, I plan to participate
- No, I do not plan to participate
