Dear Parents/Guardians,

I hope you are doing well. As we start a new school year at Crivitz MS/HS School, we want to tell you about something really helpful for your middle and high school kids: after-school homework help.

In school, we all know that learning can sometimes be tough. Middle and high school can be especially challenging. So, we have this fantastic opportunity of after-school homework help that your child can use.

If you are receiving this letter, your child has been recommended for this service. The criteria for receiving homework help includes failing grades, low assignment scores, or poor test scores on the MAP or state assessments. **It is the parent's/guardian's responsibility to have someone here to transport the child home no later than 4:30 each day.**

If you would like to have your child take part in the after school homework help, please sign the permission slip below.

Sincerely,
Jeff Baumann, Principal

After-school homework help will begin on Monday, October 9th. After-school homework help will be on Monday-Thursday from 3:30pm-4:30pm in the library.

Please retain the top portion for your reference.

My son/daughter:
