Crivitz School District Families,

At the December 18th, 2024, regular school board meeting, the School Board approved a school calendar for the 2025-2026 school year that moves the school year start date up to August 18th, 2025. The School Board also approved a resolution to apply for a one-year exemption from the school start date law. The District's waiver application was submitted to the Department of Public Instruction (DPI) and has been approved.

The District took these steps in order to lengthen the summer of 2026. During the summer of 2026, a large amount of construction will be taking place in our school buildings. The calendar change allows for two more weeks of construction without students in the buildings.

Attached to this letter is a copy of the 2025-2026 school calendar for your planning purposes.

Right now the remodeling and addition projects are still in the planning/design phase. When we are able to start construction we will be sure to post updates on our social media and school website.

Thank you for your time, understanding, and commitment to the students of the School District of Crivitz!

Yours in Education,

Kelly Robinson  
Superintendent
