Parents and Guardians of Crivitz School District Students,

At a meeting January 24, 2022 our school board voted to change our COVID protocols. Attached is what we are now following. If we move from level 1 to level 2 or 3 at any time, notification will be sent to parents.

If your child does not feel well please keep them home. They will NOT need to stay home for 10 days or have a negative COVID test to return. They only need to be fever and vomit free for 24-hours while on level 1.

The District's current COVID data is updated daily with the number of current COVID cases in the district as well as the percentage.

Yours in Education,
