

Considering the information in the facility report and possible facility master plan options, what advice do you have for the Crivitz School District?
(check all boxes that apply)

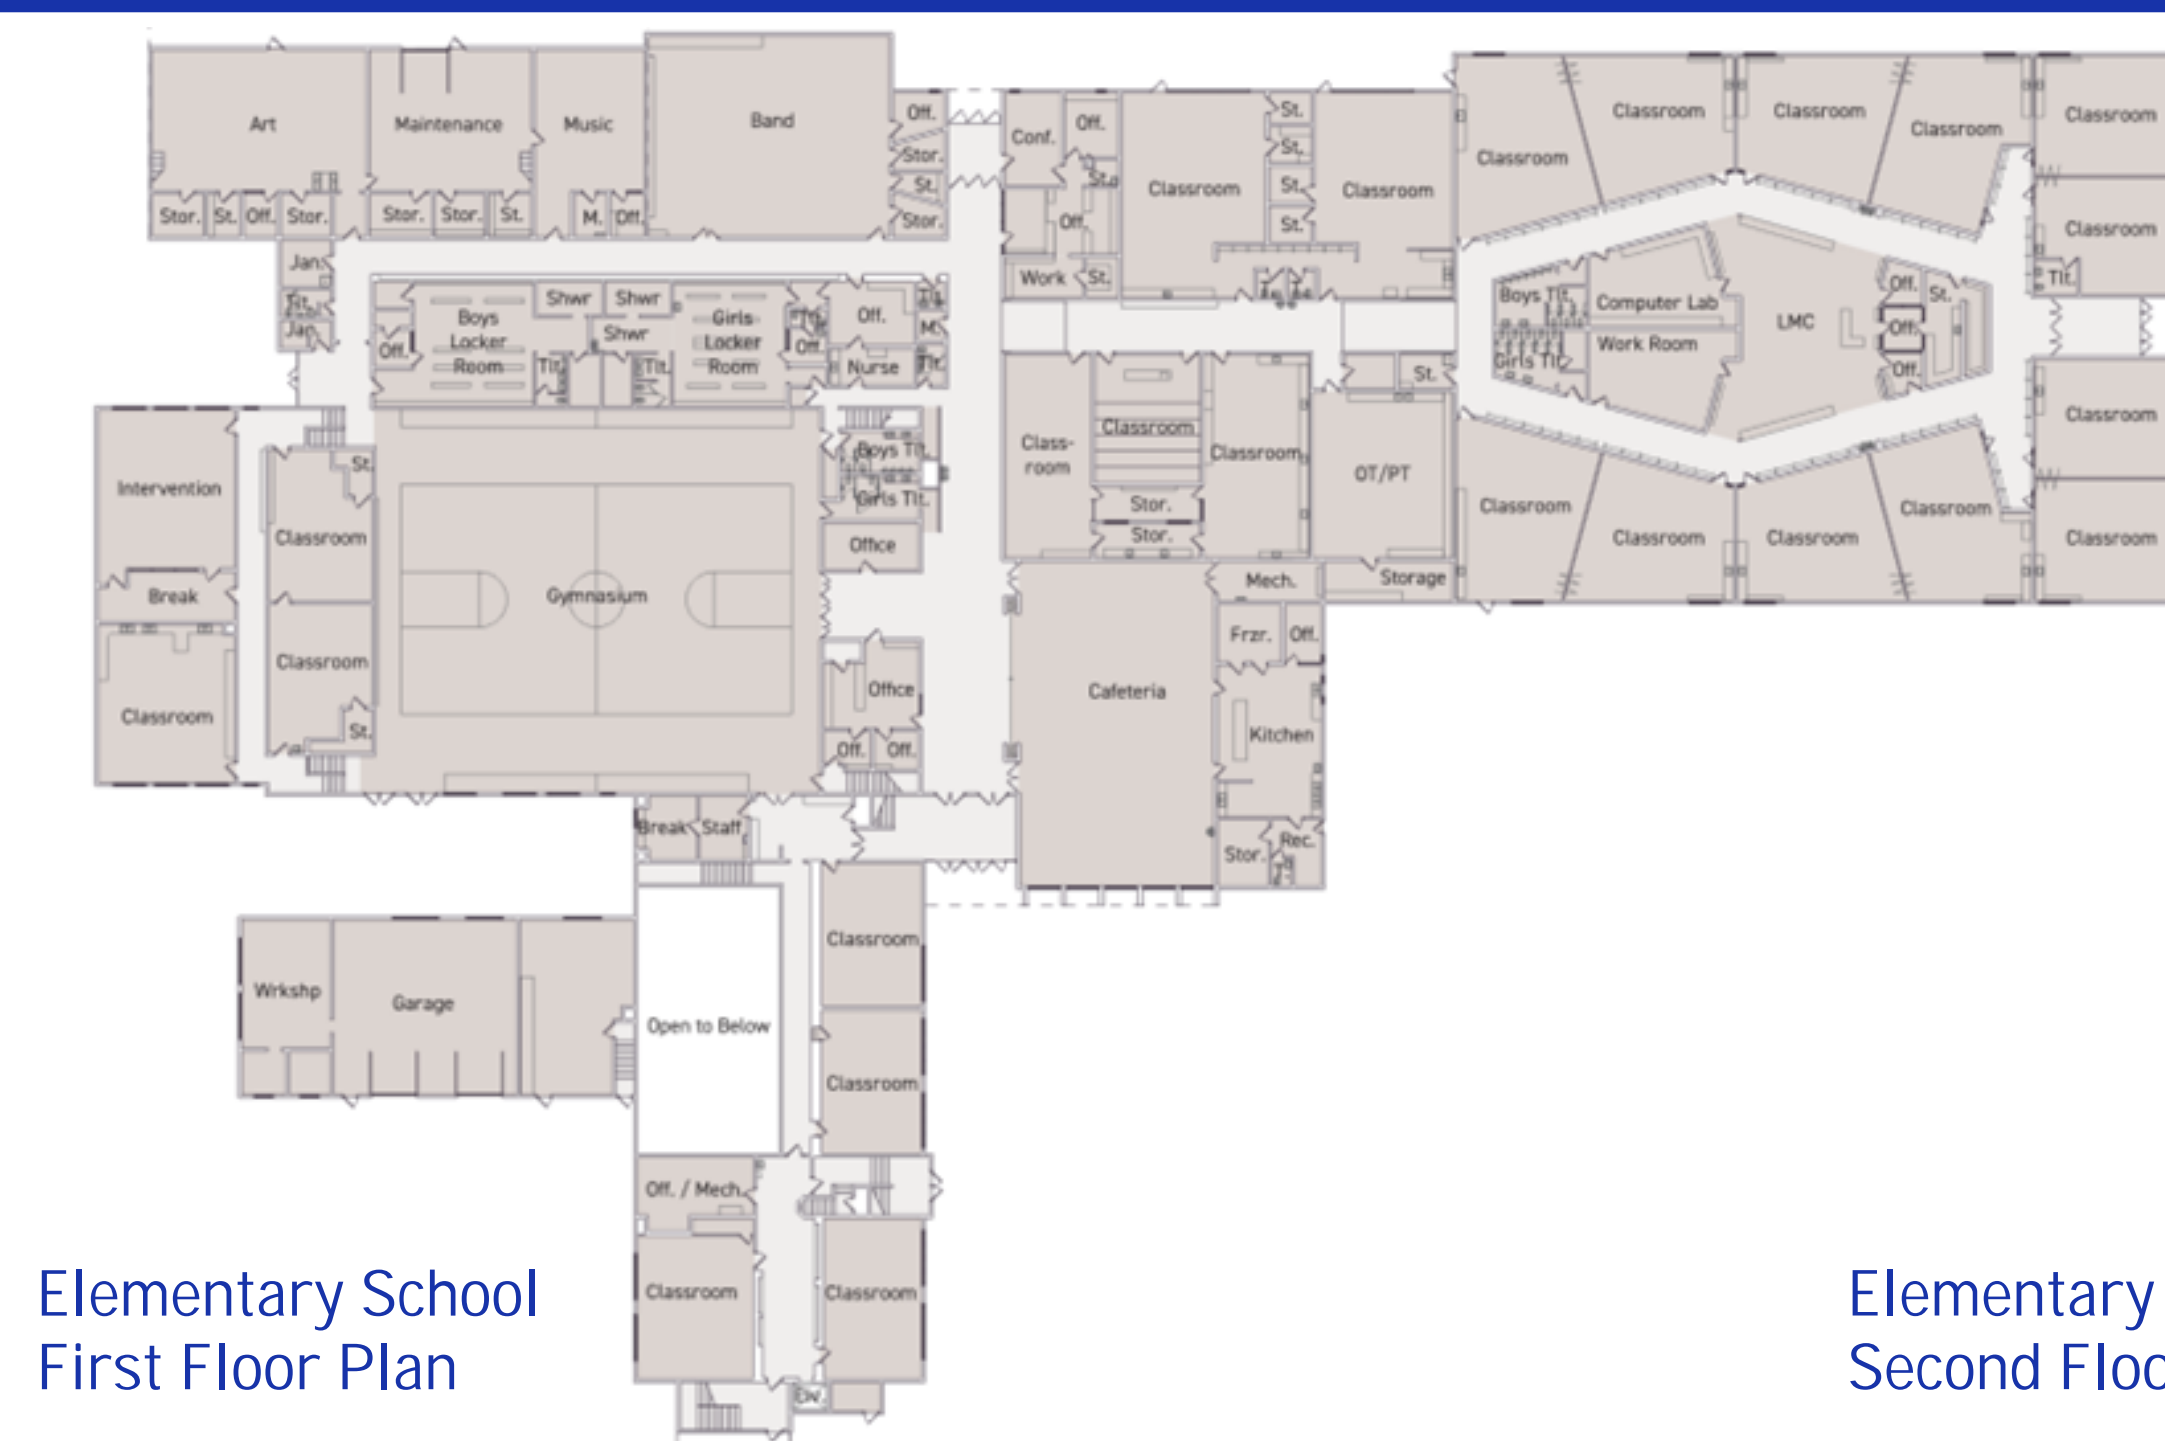

- ☐ I would support a project to maintain facilities and/or address maintenance needs
 - ☐ I would support a renovation project to update the existing Elementary
 - ☐ I would support building a new Elementary School
 - ☐ I would support an addition/renovation project to move 6th Grade students to the Middle/High School
 - ☐ I would support an addition/renovation project at the Middle/High School to address Gym, Locker Room, and Fitness Center space needs
 - ☐ I would support an addition/renovation project at the Middle/High School to expand Career and Technical Education (Shop)
 - ☐ I would support another project _____
 - ☐ I would not support any project at this time

Comments:

After learning more about potential project tax impacts, what questions do you have?

What additional questions do you have and/or what topic(s) should we cover in future communications?

Community Survey expected to be sent out to district residents in Spring 2024
