

NOTICE OF THE STUDENT ACADEMIC STANDARDS THAT ARE IN EFFECT FOR THE 2018-2019 SCHOOL YEAR

State law requires the School District of Crivitz to provide notice of the academic standards in mathematics, science, reading and writing (i.e., English Language Arts), and geography and history (social studies) that have been adopted by the School Board and that will be in effect during each school year. The District academic standards that will be in effect for the 2018-2019 school year in these content areas are listed below.

The District has adopted the Wisconsin Model Academic Standards in the following content areas:

- Social studies, in the 5 different content strands and using the 4th, 8th, and 12th grade bands established by the standards. See http://cal.dpi.wi.gov/cal_ss-standards
- Science, using the content and performance standards for the 4th, 8th, and 12th grade bands. See <http://dpi.wi.gov/science/standards>.

The District has adopted the common core state standards as published and maintained by the common core state standards initiative (<http://www.corestandards.org/>) as of July 1, 2015 in the following content areas:

- Mathematics (K-12). See <http://www.corestandards.org/Math/>
- English Language Arts (K-12). See <http://www.corestandards.org/ELA-Literacy/>

To the extent a parent or guardian would like to review a copy of any of the District's adopted academic standards in an alternative format or has any questions about the District's student academic standards or this notice, please contact Superintendent Patrick Mans.
